Sissy Slave Manual I felt trapped by her and all of the girl things she'd forced on me. I could feel the air under my dress, the wobble of the shiny shoes, the panties gripping me, the dress rustling, my hair pulled into the bunches, the taste of the lipstick. And there would be chores... lots of chores which I had escaped from when I was a boy.

Descent into Sissy Slavery These sissy boys tend to be shy and submissive and their feminine characteristics make it impossible for them to function as real men. Physically, genetically, chemically, emotionally and psychologically, these boys are so much like little girls that they should truly have their own legal classification with a separate set of laws that govern their interaction with real men and women.

3rd Gender - Black New World Order be varied through the spectrum from male to female. Manipulation of these traits allowed a great deal of freedom for me to explore my own gender identity.
