Table saws are available in both open base (benchtop) and enclosed base (cabinet) styles. High-quality table saws can be found in either style, but the cabinet-style saws do have slight advantages in the areas of stability and dust control. Regardless of style, any decent saw will feature some common table saw parts – locking rip fence and a smooth, precise tabletop, often made of cast iron, that includes miter slots, rails, and openings to accommodate table inserts.
