In the UK, 'The Way of Kings' has now been split into two halves. The first book focuses on the 'build up' of the novel... I think they got the cut off point pretty much perfect and although you could never read part 1 on it's own (it would seem very anti-climatic) - if you had to split the book into two parts... they got it right.

Goodreads

Much of The Way of Kings takes place within the nations of Alethkar and Jah Keved. Both of these nations divide their people into classes, primarily based on the color of their eyes. Those with dark eye colors (brown, dark green, charcoal grey) are mostly peasants (and can even be made slaves).

It is really just the 2nd half of part I. The original edition of this was very long. They split that original edition into 2 parts. The final book of this series (which should now be called part III) has not been written yet. I bought the book on the assumption it was the conclusion of the Way of kings, but it is not.
